How to leave a Legacy

Leaving a Legacy

Leaving a donation to Hope for Tomorrow in your Will will help us to continue to bring cancer care closer to patients' homes.

After you have looked after your family and friends we are extremely grateful for any donation whatever the amount – small or large.

We always recommend that you seek advice from your solicitor to make your Will and they will need to know the following things:

- *The type of gift you want to leave e.g. Residuary (a share of) or Pecuniary (a fixed sum).*
- *Our charity details, including our registered number, which are shown on the front of this leaflet.*

Other useful information can be found on:
