# How to make a Giving in Memory donation

## Giving in Memory

Giving in memory of someone special is a wonderful way of celebrating their life and, in turn, helping us keep the wheels turning on our Mobile Cancer Care Unit Project. We know these gifts have extra meaning and we are very grateful to receive them.

If you would like to give in memory you can either:

- *Go to our website, download and complete our Giving in Memory form and post to our office address shown overleaf.*
- *Go to our website, click on donate and here you can specify who you are donating in memory of.*
- *Or go to [justgiving.com/inmemory](https://www.justgiving.com/inmemory) and set up your own loved one's memory page.*

### **DON'T FORGET TO GIFT AID IT!**

By adding Gift Aid to your donation, we will receive an additional 25p for every £1 donation at no extra cost to the donor.
